Welcome to Rey Beauty School, thank you for considering us in your journey into the ever-expanding beauty industry! Whether you are a complete beginner or a pro we are here to help you grow!

With over 14 years of experience in the beauty industry and 11 years in the beauty education sector we are confident that you will get a top-quality education.

Our classes are designed to keep the number of students low, never exceeding 10 learners per class, to ensure that you receive hands on assistance. Our motto is **quality over quantity**.

We understand that everyone learns differently whether you pick up practical techniques quickly or it takes you a bit of time, we are dedicated to work with you until you are **confidently competent**.

Our courses are made up primarily of practical elements, with a strong theoretical foundation, all courses (full time and part time) consist of theory, practical, experiential learning, and assessments.

Our aim is to certify **market ready therapists** who want to work in salons or spas and even those who want to start their own businesses.

Our full-time beauty technology course (80646) is rich in business studies and professional conduct to prepare learners holistically to enter the job market. Our goal is to introduce learners to the industry and train them up to be **highly sought-after therapists**, our after-training service aims to keep assisting and supporting certified learners.

Rey Beauty School is Nationally Accredited with **Service SETA (accreditation Number: 14683)** – The services sector education and training authority. Skills are vital to any industry; therefore, Service SETA is tasked with ensuring that qualifications in the service industry are validated and assure quality of service providers and ensure that they are up to national standards.

As part of Rey Beauty School acquiring the Service SETA accreditation, all our learning material, assessments, policies, and quality management systems have been moderated and approved by service seta.

All our part time courses have an associated unit standard which is registered with Service SETA, on completion of all part time courses you will receive a **nationally accredited certificate**.

Our 80646 qualification is taken from Service SETA with a collection of specific unit standards that make up the qualification. On completion of all full-time courses, you will receive a **nationally accredited certificate**.

Rey Beauty School is also **internationally recognised with IECAB**. This Recognition is an optional extra on all full time and part time courses. The IECAB qualification opens doors for students to work onboard cruise ships allowing them to travel the world while making money doing what they love

Please read through the course information below, should you have any questions please contact us.
